#### A GOOD SCHEME MAKES LOTS OF FUN

"Yes, this is a scheme to make everybody work," admitted Miss Burt after all teams were chosen. This statement wasn't to a group of athletes but to her very enthusiastic classes of History, Science, and Botany who, under her instructions have chosen captains and organized teams for this semester. Miss Burt will be score keeper and the teams getting the highest score will win.

The captains are: Maggie Marshall and John Medley in History; Vivian Hannaford and Fred Compton in Science; and Sybil Caster and Dorothy Wilhite in Botany.

This will not only be a lot of fun to beat the opposite team but the winners will be rewarded with a party when the contest ends.

#### CONTEST PRIZE AWARDED

The children of Miss Aitken's room, the winners of the Eagle's Quill subscription contest, were awarded the prize on Tuesday. The prize was a phonograph record, "Peer Gynt Suite" by Grieg, which they will use in their Music Appreciation work. The children were also treated with candy guns by Mary Hannaford for their hard work in winning the contest.

#### GIRLS' GLEE CLUB ORGANIZED

The familiar tunes of "Old Black Joe" and "Juanita" floated from the English room last Thursday morning. The Girls' Glee Club is singing community songs until the music which has been ordered, arrives. "Wake, Miss Lindy" and "Trees" are the two songs Miss Miller has selected.

#### BUDGET IS ISSUE OF SCHOOL BOARD MEETING

All attempts of the school board to keep the budget within the 6% limitation failed at their meeting, held Oct. 21. This was due to the necessity of employing a new high school instructor and the decrease in receipts of tuition funds resulting from the loss of students to Butte Falls High School last fall.

The Budget as prepared shows a decrease of \$1800 over the estimate of last year. Regardless of the slash the estimates were approximately \$1000 above the present base of \$6,460.

After the board found that the budget couldn't be kept down, they included a \$200 item for the construction of dressing rooms and showers in the play shed. This proposed budget will be presented to the voters, Nov. 15.

### CLEAN UP!

"The little white school house" which rests near the banks of the Butte Creek, shone forth in new glory, Saturday morning with justified pride. It must feel proud of its students who take time from their concentrated studying to clean the littered school grounds.

If attention would be given by the pupils, it would not need to be particularly close in the immediate past, they could very plainly see that the attractiveness of the school was very much impaired by the piles of scattered material which in some "mysterious way" seems to collect on our school grounds.

Have you noticed the large shiny tin cans which occupy the important and outstanding positions on the school ground? Those cans were donated by the faithful P. T. A. for the express purpose of holding the "mysteriously scattered" lunch sacks, candy papers, and "Rigley's" specials wrappers.

Let's all remember to "Stop, think, and then hunt a garbage can" when we have finished with the papers and articles which so easily collect when simply dropped to the ground.

Let's make the "little white school house" proud all of the time, instead of giving it an over time vacation. M. M.

## STUDENT BODY ENJOYS TALK

Reverend Davidson, our local minister, gave an interesting talk before the Eagle Point High school class, Tuesday morning. The topic of his talk was, "Organization and Cooperation". Rev. Davidson enlivened his short talk with many humorous incidents and verified his statements in a like manner of relating amusing stories. He stressed the points; proposition of 50-50 or working on a equal basis with our teachers; and, organized work in labor, or play.

This friendly talk was of great interest to the students and shows that community members have the welfare of the students at heart.

### WHO'S WHO

Lottie Truth Peil was born May 1, 1913, at Trail, Oregon. She lives at Trail and comes to the Eagle Point School in the bus. This year she is a "High and Mighty Senior" who is a very good sport and also is very industrious. She has attended Central, Central Point, and Butte Falls, schools.

Truth's present program of studies are: Arithmetic, English IV, Bookkeeping, Music, and Piano.

Her favorite amusement is Volley Ball. Look out when Truth gets a squat at the ball because it is sure to go over the net.

Upon being interviewed as to her most interesting experience she replied, "While walking home from school one night, I stopped right over a large rattled snake, which lay in the path. It was coiled ready to strike. I gave a jump and landed four or five feet away. Then I got some stones and killed it."

She plans to become a stenographer after leaving school.

## VOLLEY BALL TOURNAMENT

"You ought to see us play Volley Ball." This is what every one in High and Junior High are saying now.

We are having a Volley Ball Tournament, playing one game at noon and two games after school. These games have all been quite exciting with the loser, losing by only few points.

The score so far stands:

	Won	Lost
Kirch----	5-----	0----
John-----	1-----	3----
Donald-----	2-----	2----
Walter-----	3-----	1----
Mary-----	2-----	3----
Henry-----	0-----	5----

## INTERMEDIATE GRADES POLK DANCING

The pupils in the intermediate grades are doing folk dancing during their physical education period. They learned Cshebager, a Hungarian Folk Dance, this week.

Bertha Wertz, a new pupil, who came from the Lincoln school in Medford, was also welcomed by these pupils to join them in their school work and play during the remainder of the year.

## CAMP COOKERY CLUB ORGANIZED

The boys and girls of the seventh and eighth grades with Miss Darneille, their leader, organized a Camp Cookery Club, Friday, Oct. 23. This being their first meeting, they elected their officers who are: Donald Ashpole, President; Clyde Riggsby, Vice-President; and Hazel Helms, Secretary and Treasurer.

They held a second meeting, Tuesday morning. They decided to leave the school house at ten o'clock Saturday morning to go up the creek and cook their dinner. Each pupil will take with them and prepare one certain thing for the meal.
